EFI-AGRO company specializes in the supply of eggs to the Ukrainian and international markets, as well as fresh vegetables and fruits to large Ukrainian wholesale companies. EFI-AGRO has two own brands of packed chicken eggs: “Smachna Economia” and “ECO-КО”. The company actively interacts with Ukrainian farms and purchases only high quality products, which conforms all standards.

Our company specializes on the supply of chicken eggs to the Ukrainian, African and Middle East markets. This year we shipped our products to Sierra Leone, Liberia, Congo, Gambia, Djibouti, Hong Kong, Iraq.

We bring to your attention the products of one of the best producers in Ukraine:

Chicken eggs brown, size: S (45-52g), M (53-63g), L (64-73g)

The products are packed in a high quality corrugated cardboard box of five layers in the amount of 30 eggs per tray, 12 trays per one box.

The main criterion for our company is the quality of the products supplied. That is why our products have ISO 22000: 2005 and ISO 9001: 2008 quality certificates.

Our company adheres to the standards of conducting transparent business and the highest quality products.
